WHOLESALE LIST

We would like to welcome you to our Wholesale List. The Secret Cellar opened in Tunbridge Wells in 2005 and has grown to become one of the country's most respected Independent Wine Merchants. Initially focusing on the strongest possible offerings and gaining several Decanter and IWC awards in the process, we have found requests from other businesses for our wines is growing. A founder member of the Vindependents buying group we now have exclusivity with some of the most exciting wineries & winemakers across the globe.

- Pub, restaurant, local shop, business, sports clubs and more, we are always happy to work with you to create a wine list that works the way you want it to.
- This is a focused list of core wines but we have a selection of over 1000 wines from the most classic to the very rare & downright off the wall to cover all requirements.
- We are available to share our expertise in various ways, for example to talk to and inform staff to maximise their comfort with the wines they will be selling.
- Free delivery (subject to minimum orders).
